EASY CLARE & THE BURREN SELF-GUIDED TOUR 2010

If you want to experience some of Ireland's musical heritage you could not have picked a better tour. Clare is the music centre of Ireland and on this tour you are sure to have your feet tapping to traditional tunes nearly every night of the week. The Burren region is also an amazing limestone moonscape, famous around the world for its wonderful variety of botany. The area is rich in ancient and early Christian historical sites and offers some beautiful coastal cycling overlooking Galway Bay. Finally Clare is home to the breathtaking Cliffs of Moher, one of the best-known images of Ireland.

The roads are all tarmaced and the route is designed to ensure that you spend most of the week on quiet backroads. Occasionally it will be necessary to ride on busier roads which is unavoidable as there may be no minor roads on certain stretches of the route. To experience the majestic scenery of this area the route does have some climbs, so it is worth getting a few weekends training on a bike in varied terrain before coming thus ensuring that you can fully enjoy the week.

On our self led tours, you can relax while we organise your seven nights accommodation, bike hire, daily luggage transfer between your different locations and of course route details.

Our easy tours are designed for those who still want to explore Ireland by bike but fancy spending less time in the saddle than on our regular tours. With this in mind we have kept the distances lower and thrown in an extra rest day for good measure, giving you the chance to cycle at a leisurely pace and still have plenty of time to stop for coffee/photographs or simply relax and enjoy the countryside.

TOUR ITINERARY

DAY 1 **ENNIS, CO. CLARE**

On arrival in Ennis you should make your way to your B&B accommodation. Check in is after 2.00pm on your day of arrival. We will send you on full accommodation details closer to your departure date. A folder containing your route details and information on collection of your bikes will be at the guesthouse. Ennis is a fantastic town for music and entertainment so you can relax for the rest of the day and take in the atmosphere.

DAY 2 **ENNIS TO DOOLIN** **18 miles / 30 kms**

You get away from the hustle and bustle of the town by taking a short coach transfer to the village of Inagh where you will be fitted out with your bike.

You cycle by farmyards through backroads towards the Atlantic Coast and the town of Lahinch where you can stop for lunch. In the afternoon there is the visit of the Cliffs of Moher rising a spectacular 660ft up from the Atlantic waves below. You can stroll along the cliff face and watch the birds gliding in the updraft. After visiting the cliffs you head to the village of Doolin. That night you can have a pub meal and enjoy the wealth of traditional music for which the village is famous.

DAY 3 **REST DAY DOOLIN**

You can take a ferry trip to the famous Aran Islands and visit ancient forts and monastic sites. There will also be an optional cycle route or you could simply return to the cliffs of Moher for a longer walk along the Atlantic Coastline.

DAY 4 **DOOLIN TO BALLYVAUGHAN** **18 miles**

Today is a beautiful cycle along the coast with Galway Bay and views of the Aran Islands on your left and the limestone cliffs which make the Burren such a unique landscape on your right. You stop for two nights in our comfortable Hotel in the seaside village of Ballyvaughan.

DAY 5 **REST DAY IN BALLYVAUGHAN**

The day can be spent doing a wide variety of activities. A very popular option is a wonderful four-hour walking tour of the Burren with a local man who is a very entertaining character and an encyclopaedia of knowledge on the area. There is also an optional short cycle to the impressive ruins of a Cistercian Abbey. Alternatively the day could be spent relaxing in this attractive village.

DAY 6 **BALLYVAUGHAN TO KINVARA** **24 miles / 38 km**

The cycle heads straight into the heart of the Burren where you visit it's most famous historical sight, the Poul nabroune Dolmen. Veering off the beaten track there is a lunch stop at the village of Carran. After lunch you can stop off and visit the Burren Perfumery before heading to our evening accommodation in Kinvara.

DAY 7 **KINVARA TO GALWAY** **20 miles / 32 km**

Our final day brings you to Galway City - a great place to end the tour. The mileage is low today giving you the chance to arrive early into Galway and spend some time exploring the city and having a final evening meal.

The recommended route is relatively flat. The mileage has been kept low so as to leave plenty of time to stop to visit places of interest along the way. With the exception of leaving Ennis and entering Galway, the traffic on the route should be quite light, however you should cycle carefully at all times, especially when going downhill or during any rain showers.

WHAT TO BRING

*We would seriously recommend that you bring **padded cycling shorts and / or a gel saddle cover** which will definitely make your days cycling more comfortable. Cycling gloves are also a good investment. You can also bring your own saddle which should be possible to attach to our bikes.

*We provide small **pannier bags** (not waterproof) in which you can keep your day-to-day items. Otherwise you may prefer to use a daypack and there are back carriers on each bike for this purpose.

*We do not provide **rain gear** so be sure to bring your own light weight waterproofs.

***We do not provide helmets on our self led tours. It is very recommendable you wear one, so please bring your own.**

*Don't forget **sun cream, sunglasses , sun hat** as well as a bathing suit for that refreshing dip in the Atlantic Ocean.

*Finally if you wish to use **toe clips** please bring your own pedals with toe clips (and spanner) which you can attach to our bikes (the pedals on our bikes do not accommodate toe clips) .

BIKE & FITNESS

In 2010 we will be using the new version of the **GIANT CRS 3.0 City** bicycle for our tours. To see the specification for this you can visit the website <http://www.giant-bicycles.com/en-GB/bikes/lifestyle/2464/32854/> (gents model) <http://www.giant-bicycles.com/en-GB/bikes/women/2585/32844/> (ladies model)

Bikes come in different sizes and in gents and ladies style frames. It is important you give us your height on booking so that we can allocate the correct bike to you.

This is not a difficult route however there are some climbs so we recommend that you do try to do some cycling before the tour in order to make your week more enjoyable. Try to get out for a few hours cycling during the weekends coming up to your trip and if possible do it on varied terrain and some hill climbing.

ACCOMMODATION

The accommodation is allocated on a twin-sharing basis. We stay in a mixture of B&Bs and small, where we hope to fuse the best standard we can get with the warmest welcome. We ensure en suite facilities almost all of the time however in some of the more remote spots one might occasionally have to share a bathroom.

We do reserve the right to change the accommodation around during the week, but we will always endeavour to provide a high standard.

What if someone needs to contact me during the week?

If you have a mobile phone which operates on the GSM 900 system, this will be compatible with the Irish system. Alternatively someone can call our office during the day and we will be able to contact anyone on the tour.

Looking for extra accommodation at the beginning or end of the tour?

We would be happy to help you organise extra accommodation outside of Dublin for the start or the end of the week. If you would prefer to organise it yourself please see the websites below. If you are planning to spend a few days in Dublin at the end of the tour, we recommend that you book accommodation well in advance as the capital is very busy on weekends. We do not actually organise accommodation in Dublin but there are a huge range of websites offering a reservation service. A good starting place is Dublin Tourism (www.visitdublin.com).

BACK UP SERVICE

As this is a self led trip you do not have the back-up of a guide and support van. Our aim is to allow you feel like an independent traveller, free to cycle each day at your own pace while at the same time having the security of knowing that your luggage will be waiting for you in your next accommodation.

If for any reason you are unable to cycle please contact our Dublin office (01 2600749) so we can liaise with the luggage transfers to organise the transfer of bike(s) and person(s). Please note that you will be charged for any additional runs made on your behalf.

Our bikes are serviced after each tour so they should be humming perfectly! If you experience small problems with the bike (i.e., a puncture) you will have a spare tube, pump and tyre lever. You can of course phone our office if you experience any major problems (01 2600749).

Weather

Because we are an island located near the gulf stream Ireland has a very mild climate making it ideal for cycling. We recommend that you bring your rain gear as well as your sun hat as a day that starts with rain can end with glorious sunshine! The temperature range during the summer is between 15 and 22 degrees centigrade (60 to 72 degrees Fahrenheit)

Visa requirements

If you hold an EU passport you only need to make sure your passport is valid for the period of your stay. You will need photo identification travelling between Britain and Ireland.

All other nationalities require a passport that is valid for 3 months beyond the intended length of stay. Most nationalities including the USA, Canada, Australia and New Zealand do not require visas for Ireland and receive an automatic 90 day visitor's visa on arrival. If your nationality is not mentioned here you should check with your travel agent or consular office.

Electrical current/Mobile Phone

The standard electrical supply is 220 volts AC (50 cycles). To use small appliances mainland European visitors may require a plug adaptor to fit our 3-pin flat or 2-pin round wall sockets. The mobile phone system in use is a digital GSM 900 system.
