## BOLZANO-VERONA-VENICE 2017

Guided Tour (guide cycling with group)

7 nights/8 days | 280-345 km

This tour will offer you the chance to visit the mountains around Bolzano, the beauty of lake Garda, cities full of culture and history like Verona, Vicenza and Padova and, last but not least, the fascinating Venice.

As a whole it is an easy to manage itinerary, riding on secondary streets with low traffic or paved bike paths. There are light hilly bits with short uphill sections. Trains with bike transportation connect all the cities of the tour, so in case of bad weather, or if you need a day of rest, you can reach your destination by train. A 4-hour ferry cruise through Lake Garda is included.
